**We look forward
to creating magic with you!**

Are you an author or blogger?

Are you aware that there are **gems within your writing just waiting to be discovered?**

Have you ever sifted through your own writing to find the most powerful quotes?

Imagine featuring bite-sized nuggets — your own quotes — to boost your readership!

We know it's sometimes hard to see the sparkle in your own work.

That's where we come in.

With "new" and curious eyes, **we mine the precious golden nuggets** from your writings. We also offer to **create compelling memes** out of them for you.

Enjoy **greater success on social media**, turn your quotes into **printed gifts**, **feature them on your website**, use them however you choose!

Catalyzing Change

Nowadays everyone has memes. What sets Nina's work apart is that she has a real instinct for pulling the most impactful quotes out of your work and letting them shine. Nina thoughtfully and purposefully works through your content, books etc and pulls out the most beautiful gems. I would highly recommend her to anyone memes. She will capture the essence of you and your work beautifully.

Kitty Waters, host of KittyTalks

If you need someone to condense the message of your book or writings into powerful quotes, Nina is the perfect match! She can easily spot the oneliners that stand out from your text. Oneliners that will hit home with your audience and make it possible for them to carry your message with them throughout their day or even their life as a transformative mantra.

Gift yourself and your audience with Nina's eyes and big heart when it comes to bringing your message even further out in the world and let it create a ripple effect in our process of awakening.
